

IEEE EDUCON 2020 - Portugal

Call for Papers

IEEE Global Engineering Education Conference (EDUCON2020) Porto, Portugal

27-30 April 2020, Polytechnic of Porto – School of Engineering

<http://www.educon-conference.org/>

Focus

IEEE EDUCON 2020 will be organized by the University of Coimbra, University of Porto and Polytechnic of Porto, Portugal. The event will be held on the Polytechnic of Porto - School of Engineering, April 28-30th, 2020. Several pre-conference workshops will be held on April 27th, 2020. EDUCON 2020 will be focused on "Engineering Education for the future in a multicultural and smart world".

Topics of Interest

Papers in all areas of engineering education are invited with particular emphasis on the main focus of the conference and on current issues in engineering education such as:

- K-12 STEM Education Initiatives
- Student-Centered Learning Environments
- Engaging Undergraduate Students in Research
- Service Learning and Humanitarian Engineering
- Diversity and Inclusion in Engineering Education
- Active and Collaborative Learning
- Inductive Learning, Problem-Based Learning, and Project-Based Learning
- Game-Based Learning and Gamification for Engineering Education
- Virtual and Remote Labs in Engineering Education

Venue

Polytechnic of Porto – School of Engineering, Portugal is located in the city of Porto, around 15km from the Francisco Sá Carneiro Airport. Located along the Douro river estuary in northern Portugal, Porto is one of the oldest European centers, and registered as a World Heritage Site by UNESCO in 1996. (www.isep.ipp.pt)

Types of Contributions

- Papers: Full papers (6-10 pages)
- Papers: Short papers (4-5 pages)
- Papers: Work in Progress papers (4-5 pages)
- Student Poster Papers (up to 2 pages)
- Special sessions
- Panels and Workshops

All paper and short paper submissions are subject to a double blind reviewing process

Important Dates

- 27 October 2019** Abstract submission
Proposals for Special Sessions,
Panels and Workshops
- 18 November 2019** Invitation to submit complete paper
- 15 December 2019** Complete paper submission for
main conference, Special Sessions,
and Work in Progress;
- 21 January 2020** Notification of acceptance
Author Registration open
- 17 February 2020** Camera-ready submission
Early Bird registration
- 27 April 2020** Pre-conference Workshops
- 28 April 2020** Conference Opening

Submission Server

<https://www.conftool.com/educon2020/>

Proceedings

The conference proceedings will be submitted to IEEE Xplore. If accepted and published (which is usually true for this conference), other indexing services evaluate conferences and independently determine what they will index.

IEEE EDUCON Steering Committee

Manuel Castro, Chair, IEEE Fellow, Past President
IEEE Education Society, UNED, Madrid, Spain
Michael E. Auer, Senior Member IEEE, President and
CEO IAOE, CTI Villach, Austria
Henrique Santos, IEEE Education Society Vice-
President on IEEE Conferences
Thomas Klinger, Carinthia University of Applied
Sciences, Austria
Maria Teresa Restivo, University of Porto, Portugal
Alaa K. Ashmawy, American University, Dubai, UAE
Edmundo Tovar, Universidad Politécnica de Madrid,
Spain
Habib M. Kammoun, IEEE Region 8 Conferences
Coordinator, University of Sfax, Tunisia
Khaled Mokhtar, IEEE Region 8 Conferences
Coordinator

Conference Chairs

Alberto Cardoso, University of Coimbra, Portugal
Gustavo R. Alves, Polytechnic of Porto, Portugal
Teresa Restivo, University of Porto, Portugal

Technical Program Chairs

Clara Viegas, Polytechnic of Porto, Portugal
José Carlos Quadrado, Polytechnic of Porto, Portugal
Susan Zvacek, SMZ Teaching, USA
Tiia Rütömann, Tallinn University of Technology,
Estonia
